Topic of the Lesson: _____

As a Content PLC please complete just one of these for each teacher your PLC observed.

As a PLC we noted the following...

Pluses + Observations of items we liked, felt went well and worked to increase student learning	Deltas Observations of items we feel could be improved upon to better increase student learning

Priority Takeaway One overarching takeaway/area for improvement that the entire CORE you observed could focus.
<i>For example: As a 7th grade Math PLC, we feel that the 8th grade Math PLC could focus on...</i>
